Captain Denman, by the request of the Prince Manna and the chiefs, hereby states, that he at first demanded that the trade goods of the white slave-dealers should be destroyed with their factories; but King Siacca having declared, that those persons have acted in defiance of his laws, and that in consequence he considers their goods as forfeited to him, Captain Denman has withdrawn his demand upon this point, and consented that King Siacca shall take possession of the said goods, on condition that they are immediately taken out of the factories, and removed to Ghindemar, or some other place far from the coast.

Commander and Senior Officer.
